

EC-CERTIFICATE OF CONFORMITY

0809-CPD-0770

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Honkamajat log building kit

which has been specified in European Technical Approval ETA-12/0352 and which comprises the log frame, windows, doors, intermediate walls, suspended floors and roofing constructions and supplemental constructions as specified in ETA-12/0352

placed on the market by

Oy Honkamajat Finland Ltd.

**Veistämötie 6
FI-90620 Oulu
Finland**

and assembled in

Oulu factory

**Veistämötie 6
FI-90620 Oulu
Finland**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0809 - VTT Expert Services Ltd - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of factory production control and performs the continuous surveillance, assessment and approval of factory production control.

This certificate attests that the provisions concerning the attestation of conformity and the performances described in the ETA.

ETA-12/0352

valid from September 24, 2012 to September 23, 2017

were applied and that the product fulfils all the prescribed requirements. For detailed information in relation to the performance characteristics of the product(s), the ETA itself, mentioned above, should be consulted.

This certificate was first issued on November 6, 2012 and remains valid until the date of expiry of the ETA as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
